# *Our Presidents*

*A message from Grand Worthy President Brian Rogers  
& Grand Madam President Brenda Garrioch*

**W**ho Are We? We're the FOE! Despite the trials and tribulations we've all faced over the last 18 months, our organization is a testament to the resilience of Eagles and we're proud to serve in 2021-22 as your Grand Presidents.

The Fraternal Order of Eagles was not created just to exist. Fund Raising, Community Involvement, making a difference in the lives of so many by lessening ills, and Living the Principles and Values that define our organization is our central purpose. We are the Standard Bearers for Home for Country and for God; we are believers, in Liberty, Truth, Justice, and Equality; and we are American & Canadian Patriots, subscribing to the Ideals that define our Countries.

We must "Get Off The Bench and Get In The Game." We cannot let the Legacy that is the Fraternal Order of Eagles just fade away. Let's do the hard work worth doing, and together we can ensure that no future generation will ever have to experience a world without the Fraternal Order of Eagles.

Fraternally,

***Brian & Brenda***

## 2021 CONVENTION

Tuesday headliner Bret Michaels rocks out with his guitarist, Pete Evick. Michaels was initiated as an Eagles member on Tuesday afternoon.

After a scaled-back International Convention in 2020, The Fraternal Order of Eagles was back at full force in 2021 in Phoenix, Ariz.

The JW Marriott Desert Ridge played host to this year's International Convention, hosting 2,000+ members from across the United States and Canada.

Eagles came ready to have fun and donate, raising \$190,492.34 from a variety of 50/50 drawings, basket raffles, general donations and more.

The first big event of the week was Sunday night's Welcome to Phoenix Show featuring the riotous comedy duo Williams & Ree and an energetic set from country legends Sawyer Brown.

## 2021 CONVENTION

Grand Worthy President Dave Smith and Grand Madam President Jacque Marble present Bret Michaels with a grant for \$30,000 to benefit his Life Rocks Foundation. The FOE also gave a \$30,000 grant to the DRC in Bret Michaels' name.

Tuesday brought the initiation of new Eagle Brother and legendary rocker Bret Michaels, who went through the formal ritual before that evening's headlining show at the annual Aerie & Auxiliary members banquet where he tore the house down.

Festivities concluded on Thursday with the annual Installation of Grand Aerie and Grand Auxiliary Officers where Brian Rogers and Brenda Garriocho officially took the reins as our Grand Worthy President and Grand Madam President.

The return to some sense of normalcy provided a much needed escape for many in attendance, setting donation records in the process.

We thank everyone who came out to Phoenix to attend this year's incredible convention and we look forward to seeing everyone again in 2022 as we head to Columbus, Ohio.

Keep posted to [foe.com](http://foe.com) toward the end of 2021 for more announcements about the 2022 International Convention.

**BRAND  
NEW FOR  
2021-22!**

## BUILDING A STRONGER AERIE & AUXILIARY

### GUIDELINES

#### WINNERS

The Grand Aerie will select the Aerie/Auxiliary from EACH of the 16 regions who scores the highest (see reverse for criteria)

.....

#### PRIZE

The winning Aerie/Auxiliary in each region receives \$1,000, split equally between them, in credit from the Grand Aerie to apply to Per Capita Tax and/or other outstanding fees.

.....

For the first time ever, the Grand Aerie will be holding the Aerie/Auxiliary Of The Year Competition, honoring the Aerie/Auxiliary in each region which best exemplifies what it means to be a successful club.

Grand Worthy President Brian Rogers and Grand Madam President Brenda Garrioch conceptualized the competition as a way to incentivize Aeries and Auxiliaries to do what it takes to be successful.

"The longterm health of our organization relies on strong membership efforts, proper insurance coverages, following the ritual and reaching out to our communities," said Grand Worthy President Brian Rogers. "We wanted to come up with something that provides incentive to those who are a little behind while offering a potential reward to those doing things the right way."

One Aerie/Auxiliary will be selected from each of the 16 regions of the F.O.E. to receive a \$1,000 credit from the Grand Aerie, split equally between the Aerie and Auxiliary, to apply toward future Per-Capita Tax, supply orders or membership fees.

In order to enter, you must have an Aerie AND Auxiliary and complete an entry form (available on [foe.com](http://foe.com)) to be filled out and submitted no later than Friday, Nov. 19, 2021.

Forms must be signed by the Aerie and Auxiliary President and Secretary and include a seal.

Winners will be determined using a points system which includes holding membership drives and participating in community events, holding joint meetings and following the formal ritual. Points for Net Gain, Tax Documents, Per Capita & Fees and Insurances awarded at the end of the Fraternal Year.

"The great thing about this contest is that we're giving everyone a chance to get their work done," said Grand Madam President Brenda Garrioch. "If you're late on paying fees or you don't have the proper insurance, you have

the rest of the fraternal year to take care of business and get yourselves to a point where you're fully in compliance."

Winners will be announced on Friday, July 1, 2022, and posted on [foe.com](http://foe.com) and our various social media channels.

The Grand Aerie staff is available throughout the year to help you with attaining these goals.

If you have questions about Compliance, your tax status, outstanding Per-Capita or fees, charity numbers or holding membership events, we're here to assist you in any way possible.

**Be A Part of This Great New Program!**  
**Visit [foe.com](http://foe.com) to download the official entry form and flyer and encourage your members to participate at your next meeting.**

# Keep Compliant

## *By Following These Simple Steps*

Compliance is the key to maintaining a healthy Aerie and Auxiliary. To ensure you're in full compliance with the Grand Aerie, make sure your Aerie/Auxiliary has submitted the following to the Grand Aerie.

- Entire policy for General Liability Insurance with the Grand Aerie named as Additionally Insured.
- Bond or Employee Dishonesty coverage
- Liquor Liability Insurance
- Signed 2017 Affiliation Agreement
- 990 filed for Fraternal Year ending on May 31
- Per Capita Tax, Membership Fees, Supplies Invoices and Dues Reminders Invoices paid in full to date
- Auditor & Treasurer Reports
- House Rules Submitted to the Grand Secretary's Office.

### INSURANCE UPDATE

The Grand Aerie is dedicated to making sure you receive the service you deserve from our partners. Last month, the we replaced AON on our list of preferred insurance partners with Huntington Bank. Huntington's Insurance division knows what Eagles need to be considered in Compliance and is committed to making sure Aeries and Auxiliaries seeking insurance through Huntington have the proper coverage and that a copy of the full policy will be sent to the Grand Aerie on your behalf. Visit the Compliance page at [foe.com](http://foe.com) for more.

Since 2012, Solid Rock Teen Center has provided Phoenix-area youth with a place to safely get away and learn a variety of crafts, including music, sound engineering, art, photography, dancing and more.

Founded by legendary rocker Alice Cooper, Solid Rock believes "a teen's worst enemy is too much time on their hands," so the foundation aims to fill that time by providing a place to better themselves under the guidance and instruction of industry professionals.

The Center includes various practice rooms and a full recording studio to give at-risk youth the on-the-job experience they need to take their skills to the next level.

Solid Rock, a faith-based organization, partners with a neighboring church to give students the opportunity to use what they've learned running sound, lights and more during regular services.

Under the guidance of professional staff and volunteers, the foundation has helped save countless young lives in the greater Phoenix-area and recently opened a second center in nearby Mesa, Ariz.

Help save young lives by contributing to GWP Brian Rogers' special project during the fraternal year.

## DEAR BROTHERS AND SISTERS OF THE FRATERNAL ORDER OF EAGLES:

Every year presents challenges, and this was a year of worldwide challenges. For the millions of people in the U.S. who have diabetes, the pandemic presented yet another unwelcome threat to their health. That is why we are ever more grateful for your generosity in supporting research into diabetes with the goal of treating it more effectively and curing it.

Knowing that diabetics are at increased risk of adverse effects from COVID-19 drove every member of the Fraternal Order of Eagles Diabetes Research Center at the University of Iowa to remain steadfast. Without skipping a beat, our expert endowed chairs, experienced researchers, and new recruits modified labs and work schedules as needed to continue their research safely. We are proud of their flexibility, leadership, and productivity, and wish that this report could highlight more of their fascinating research.

We continue to be humbled by the Fraternal Order of Eagles' diligent fundraising for diabetes research. We are grateful for all you have done, from your initial gift to establish the center to the recent Bridge to the Cure campaign and grants. With our common goal, we will continue to do all we can to make life better for the estimated 463 million people worldwide who have this terrible disease.

Thank you for partnering with us in this mission. We look forward to celebrating our successes with you again soon.

Sincerely,

E. Dale Abel, MD, PhD

## BRIDGE TO THE CURE UPDATE: EXCITING PROGRESS

In their work on Bridge to the Cure supported projects, **Dr. Calvin Carter** and **Dr. Julien Sebag** are investigating innovative approaches to treating diabetes. Carter is taking the next step in attempting electromagnetic field treatments on larger animals after finding it had positive effects on diabetic mice. Meanwhile, Sebag is exploring new compounds that optimize insulin treatment.

# RESEARCH HIGHLIGHTS

### NIH GRANT EXPANDS MUSCLE ATROPHY RESEARCH

Dr. Vitor Lira continues his focus on aging-related muscle atrophy and weakness. Examining how aging impairs protein turnover in muscle could help improve the quality of life for millions of older people and people with diabetes.

### GRANTS AWARDED FOR IMPAIRED CELL FUNCTION STUDIES

Dr. Sam Stephens received \$1.2 million to further his research into why select pancreatic cells fail in type 2 diabetes and protein regulation as it relates to insulin production. Learning more could help develop new approaches to reversing abnormal pancreatic function.

### EXPLORING LINKS TO POLLUTION

Dr. James Ankrum is one of the investigators using a superfund NEIHS grant to explore environmental pollutants in relation to insulin resistance and diabetes. Polychlorinated biphenyls (PCBs) are a type of manmade chemical that can accumulate in fat tissue. The research will explore the connection between PCBs and metabolic syndrome, obesity, hypertension, type 2 diabetes, and other conditions.

## COLLABORATION FUELS FOEDRC EFFORTS

**Bhagirath Chaurasia, PhD**, joined the Division of Endocrinology in October 2020. His lab is working to understand how excessive fats accumulate in various cells and tissues in obesity and how that leads to inflammation, worsening diabetes, and increased cardiovascular risks.

“FOEDRC is unique in that it not only provides an excellent research infrastructure, but it also hosts a combination of young and senior researchers with a common interest. The breadth and depth of the research and the collaborative opportunities along the common theme of diabetes attracted me to come to the University of Iowa.”

— Bhagirath Chaurasia, PhD

## VA GRANT FUNDS PANCREATIC CELL RESEARCH

Dr. Yumi Imai, who holds an endowed professorship from the FOEDRC, received a \$710,000 VA Merit Award to continue her research of pancreatic cell function and failure in type 2 diabetes. The new grant will explore why type 2 diabetes impairs the regulation of lipid mobilization in order to identify a new target that will prevent beta cell failure and improve treatment of type 2 diabetes.

## LIVER FUNCTION REVIEW PUBLISHED

Dr. Matthew Potthoff and Sharon Jensen-Cody's review article, "Hepatokines and metabolism: Deciphering communication from the liver," was featured on the cover of *Molecular Metabolism*. In this review, the authors describe the growing list of hepatokines, their role in metabolic control, and their potential to be used as therapies for diabetes and obesity.

## KETO DIET YIELDS PROMISE

Dr. E. Dale Abel's research team published a paper in *Nature Metabolism* revealing that a ketogenic diet prevented heart failure in mice that mimic aspects of diabetic heart failure. In addition, a high-fat diet also rescued failing hearts. These diets minimize glucose, making it appear that reducing glucose has positive health benefits for the heart.

## DOKUN FOCUSES ON VASCULAR DISEASE AND DIABETES

Years ago, during his clinical residency, **Dr. Ayotunde Dokun**—who holds the Verna Funke Fraternal Order of Eagles Diabetes Research Center Chair—learned that diabetic mortality was tied to cardiovascular problems. And while others study heart disease, Dokun focused on the vascular system, namely critical limb ischemia, a type of peripheral artery disease (PAD) that affects circulation in the tiny blood vessels of the legs.

“Very little is known about diabetes and how it puts people at risk for PAD and limb amputation,” he says. “The critical limb ischemia mortality rate is incredibly high—higher than some cancers, and there is no medical treatment for it.”

As a result, Dokun resolved to study the connection between diabetes, PAD, and the way it affects blood vessels and muscles. His goal is to learn more about genes that help produce a healthy response to blocked blood vessels in hopes that the research leads to new therapies to help people keep their limbs.

“The FOEDRC is unique. It offers a brilliant way to collaborate with experts in different divisions related to diabetes.”

— Dr. Ayotunde Dokun

“From our research, we know that diabetes alters the expression of a gene related to circulation. Using gene therapy, can we reduce the severity of low blood flow? Can we rescue limbs? Perhaps we can intervene and prevent limb loss.”

What does Dokun do to unwind? The father of two is an avid gardener who finds peace in his yard. “Weeding is therapeutic. It’s just you and the wind and some shade, so you can just keep thinking and working.”

## GMP BRENDIA GARRIOCH SELECTS MEMORIAL FOUNDATION

### THIS YEAR,

*Grand Madam President*

*Brendia Garrioch has*

*dedicated her fundraising*

*efforts to the FOE*

*Memorial Foundation,*

*combining her passions of*

*helping our youth and the*

*Fraternal Order of Eagles.*

*Help make a difference*

*by making a donation to*

*Brendia during her travels*

*throughout the 2021-22*

*fraternal year.*

During World War II, The Fraternal Order of Eagles created the Memorial Foundation to help care for the children of members who lost their lives in service to their country.

In the years since, the program has expanded to also cover the children of any member who dies while carrying out the duties of their job.

These children receive benefits including medical, dental, vision, hospitalization, psychiatric care and educational assistance.

Since 1947, the Memorial Foundation has provided assistance to 875 families and 1,584 children, helping make a difference in their lives following the most tragic of losses.

All Eagles members in good standing are covered by the Memorial Foundation, which is funded by donations from Eagles.

In 2020-21, the foundation provided \$32,121.31 in aid to 58 children in 30 families.

Help us keep the crown jewel of the Fraternal Order of Eagles strong for years to come by making a donation this year to the Memorial Foundation.

## Learning How Your Money Helps The Grand Aerie Support You

Operating an organization the size of the Fraternal Order of Eagles requires a substantial amount of resources. Those resources are primarily provided through the annual Per-Capita Tax paid by each Aerie and Auxiliary to the Grand Aerie.

The Per-Capita Tax made up 70.15% of all Grand Aerie income for the 2020-2021 fraternal year. These funds enable us to provide you with dedicated office support, fund our annual International Convention, support all agent and assignment-related travel and expenses and support all of our internal and external marketing and membership efforts.

On the following pages, you will see totals for all of our received charitable donations, charitable grants issued by

the F.O.E. Charity Foundation and graphs breaking down exactly where the Grand Aerie funds come from, and what that money is used to do for our members.

Below each graph will be a breakdown of the various items which make up each category. For example, 12.01% of the money spent by the Grand Aerie was used to pay back the loan taken for the Pension Fund, much of which was used to pay pensions owed by local Aeries.

The Grand Aerie works hard to ensure your funds are put to good use and we hope the information on the following pages further proves our efforts to help the F.O.E. operate in a logical and efficient manner on your behalf.

## Financials A look ahead to the 2021-2022 fiscal year

- The Grand Aerie continues to operate within the budget approved by the delegation. The one-time per-year Per-Capita Tax will be calculated in May 2022 at \$12.00
- The Grand Aerie has made positive financial strides. The outstanding \$12,000,000 loan to terminate the Pension Fund has a payoff balance of \$1,040,833 and will be paid off this fiscal year.
- Eagle Village, the charitable retirement community located in Bradenton, Fla., has an outstanding loan balance on the new recreation center of \$503,965. Donations are the primary source to pay off the loan.
- Due to COVID-19, contributions to the Fraternal Order of Eagles Foundation were down 25% compared to the previous fiscal year. This was to be expected, but Eagles are People Helping People and we'll prove that with this year's contributions.
- The By-Laws of the Fraternal Order of Eagles Foundation were amended at the 2021 International Convention in Phoenix, Arizona.
- Membership is the key to our organization, as approximately 70% of the revenue received by the Grand Aerie comes from Per-Capita Tax. We must continue to increase membership by funding the necessary investment in marketing, programs and training to make Net Gain a trend.
- While we fulfilled our \$25,000,000 commitment to the DRC, our goal is not yet finished. We must continue to fundraise for the Diabetes Research Center to make sure we find the cure.

## RECRUITMENT & Retention

### GET OFF THE BENCH AND GET IN THE GAME

Look around and you'll see the same faces doing the same things every year. This year, we want to focus on getting new faces involved in the activities of the Aerie & Auxiliary. Be a mentor. Reach out to members who aren't as involved and encourage them to get off the bench and get in the game! In order to keep our organization running strong in the decades to come, we have to focus on mentoring our future leaders, the way our mentors did for us. Bring someone new to your next meeting. Offer to take a local member to your next District, Zone or State/Provincial meeting. Extend an invitation to a new face and help us protect the legacy of the F.O.E.

### WHOO ARE WE? WE'RE THE FOE!

Be proud of who we are and what we do! Eagles across the United States and Canada do so many great things but often times, we're reluctant to pat ourselves on the back. It's okay to stand up and let the world know the amazing things we do. This year, make an effort to promote your fundraising to local media outlets. Share check presentations on your Facebook pages and submit your great works to the Grand Aerie so they can share it with the world. Eagles put tremendous time and effort into what they do and we want to make sure the recognition matches that effort. Don't be afraid to make your efforts known!

HELPING  
**US**  
GROW

### BE A TEAM PLAYER

Local Officers and Leaders set the tone for an Aerie/Auxiliary. You are the example that others follow. If you aren't willing to pitch in and contribute, you can't expect your members to want to help out either. Help cook or serve a meal, clean up after a meal, sell raffle tickets, donate to a fundraiser, stand up when people are violating House Rules or the constitution and statutes. What you do shapes the actions of others. We cannot set one standard for ourselves and another for our members. This year, be mindful of your actions within your Aerie/Auxiliary and make sure you and your fellow Officers are setting a positive tone that guides your members toward success.

### MEMORIAL FOUNDATION/EAGLE VILLAGE

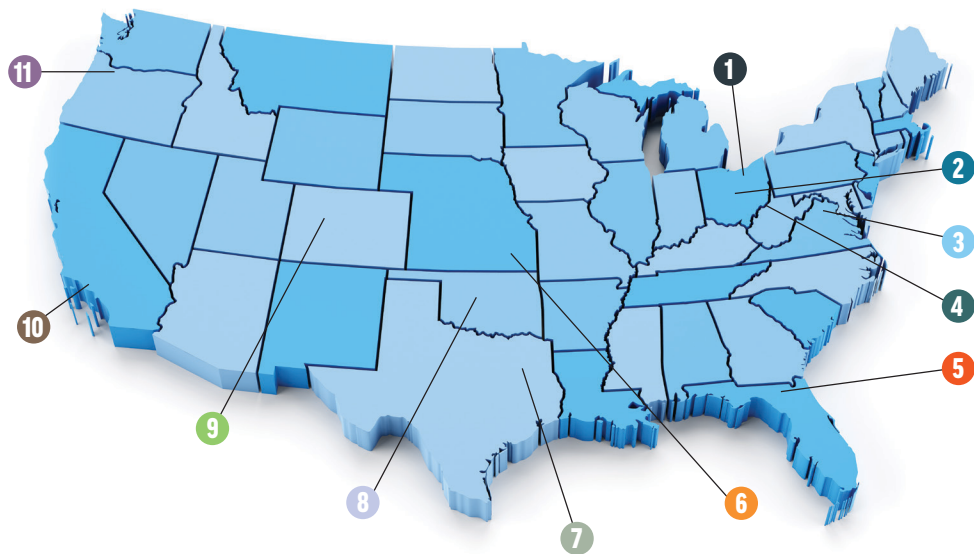

The Memorial Foundation is the crown jewel of the Fraternal Order of Eagles. Since the 1940s, the Memorial Foundation has been protecting the children of members who lose their life in service to their country or while performing their jobs. Thousands of children have received education assistance, medical care, dental care, vision care and more thanks to the kindness and generosity of Eagles. The Foundation is funded entirely by donations made by our great members. Eagle Village is the FOE's living community exclusive to senior members of the Order. Located in beautiful Bradenton, Fla., Eagle Village includes a brand new recreation center, a pool, lighted walking/biking paths, shuffleboard courts and more.

**JPGWP DAVE SMITH RAISES OVER \$100,000 FOR HOSPITAL**

## IN ADDITION,

*Dave Smith also dedicated his year to raising money for the FOE Diabetes Research Center Bridge to the Cure project. Smith collected \$143,289.36 which will be used to fund exploratory drug trials at the FOE DRC.*

In order to solve a problem, you first have to understand the problem. For Penticton Regional Hospital, this requires a new, state-of-the-art CT scan machine to map the bones, blood vessels and soft tissue inside the body in order to make a diagnosis.

That need inspired Jr. Past Grand Worthy President Dave Smith to make Penticton Regional his special project for the 2020-21 year. The machines can cost more than \$65,000 and are vital to the effectiveness of a regional hospital that serves hundreds of thousands of Canadian citizens.

With the help of Eagles across the jurisdiction, Smith was able to raise \$102,883.13 for the hospital. The donation will be used to fund a new CT scanner, provide training for staff on the new machine and more.

Thank you to all of our Fraternal Order of Eagles members who contributed to this great cause throughout Dave's year as President.

**JPGMP JACQUE MARBLE RAISES \$83,000 FOR CAMP CIVITAN**

## **DURING THE YEAR,**

*Jacque Marble also raised money for the FOE Diabetes Research Center Bridge to the Cure project, raising \$42,386.30. The donation will be used to help fund exploratory drug trials at the FOE DRC at the University of Iowa.*

Finding a charity close to home was important to Jr. Past Grand Madam President Jacque Marble. As she embarked on her year atop the Auxiliary, she chose the Civitan Foundation as her special project.

Since 1968, Camp Civitan has been giving people with developmental disabilities the opportunity to experience the unique joy of summer camp. Over the years, the camp was able to create one of the first year-round, fully-accessible camping experiences throughout Arizona.

Jacque spread the word about Camp Civitan during the 2020-21 year as she traveled throughout the jurisdiction and on Saturday, August 14, she was able to present the foundation with a check for \$83,144.65 to help fund day-to-day activities at the camp.

Camp Civitan currently serves more than 300 children and adults daily and continues to explore opportunities that can improve the quality of life for their guests and families.

MEDICAL BENEFITS

OPTICAL CARE

HOSPITALIZATION

DENTAL BENEFITS

PSYCHIATRIC CARE

During World War II, the Fraternal Order of Eagles came together to establish the Memorial Foundation, investing \$3 million in the Foundation to ensure investment earnings would be able to fund the benefits to members' families.

The Foundation was created specifically to provide assistance to the children of members who lost their lives fighting overseas. In 1947, the first benefits for the Memorial Foundation were paid out and to date, more than 3,000 children have received aid totaling more than \$4 million with half of those children receiving education assistance.

In 2001, the Foundation expanded beyond just active military families, offering benefits to the families of any and all members who perish while on the job.

As a family-oriented organization, we know there's nothing more important to you than the safety and security of those you love most. That's why we're proud to continue to offer this amazing benefit to all of our members in good standing at no additional charge.

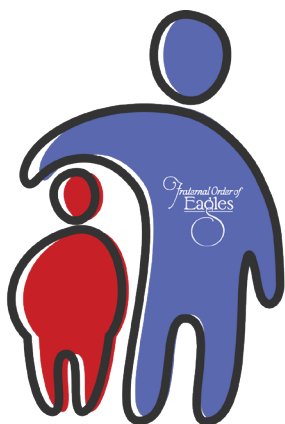

Educational grant recipients must complete the necessary paperwork each year, furnish a yearly academic transcript, maintain a 2.0 grade-point average and be under the age of 25, unmarried and non self-supporting.

## NEW MEMORIAL FOUNDATION LOGO

In August, the Grand Aerie released a new logo for the Fraternal Order of Eagles Memorial Foundation. The logo features an adult watching over a child, keeping them safe. The logo was designed to signify the purpose of the Foundation, which is to protect our own children. Look for fundraising shirts featuring the new logo in the coming weeks at [foe.com](http://foe.com).

Additional benefits include medical care, dental care, optical care, hospitalization and psychiatric care.

If you know someone who is currently serving in the military or as a police officer, firefighter, EMT or in any other high-risk occupation, encourage them to become a member of the Fraternal Order of Eagles to take advantage of our greatest member benefit - the Memorial Foundation.

Each and every member is eligible for benefits as soon as they're officially initiated and become a card-carrying Eagles member.

The benefit requires no additional dues and will remain available to you for

as long as your dues are paid and you're a member in-good-standing.

We encourage all of our Aeries and Auxiliaries to hold fundraisers for the Memorial Foundation and make donations to the cause as these donations continue to allow us to support these amazing families.

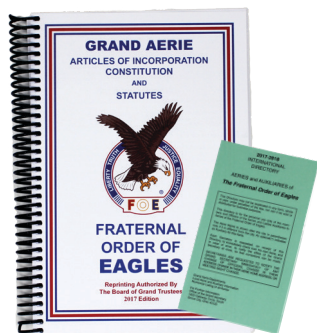

Donations can be made payable to the F.O.E. Memorial Foundation and mailed to the Grand Aerie Headquarters at 1623 Gateway Circle South, Grove City, OH 43123.

If you have any questions or concerns, please contact the Grand Aerie at [memorialfoundation@foe.com](mailto:memorialfoundation@foe.com) or via phone at 614-883-2200.
